BE AWARE WHEN COMING DOWN THE DIRT FIRE ROAD FROM HOLY JIM TO THE FINISH LINE, THE ROAD IS OPEN TO TRAFFIC AND YOU WILL HAVE VEHICLES ON THE ROAD. LOTS OF VEHICLES WILL BE COMING UP THE ROAD AT YOU SO STAY ON THE RIGHT SIDE OF THE ROAD.

The Finish Line

The Finish Line this year has been moved to the Trabuco Flyers Airfield at 32231 Trabuco Creek Road, about 1.2 miles down Trabuco Creek Road (dirt road) from Trabuco Canyon Road (paved). The Warriors Society will have volunteers staged to guide you as you approach. PLEASE - PAY ATTENTION to their instructions. Riders will be making a left turn into the airfield property, and will need to slow down to make the turn.

You must cross the finish line with a number plate in order to have your time recorded.

Make sure you pick up your finishing Vision Quest feather before leaving the event. We will not be mailing feathers to finishers. You must get it at the event. Finishing photos will be taken with the beautiful Saddleback peak in the background.

There will be ample parking for all spectators. Encourage your family members to come hang out and watch you cross the finish line. Although there are some picnic tables, we suggest your friends & family bring chairs.

Shuttles are provided to take Pow Wow race participants to your car parked at Blackstar Canyon anytime after 1:00p.m.

Have Fun!!
